### *Guest Teachers Needed in our School!*

Thank you for your investment in your student's life and our school community! You may or may not know that we have an excellent opportunity in our district for you, or someone you know, to be a "Guest Teacher" at Bath Community Schools. We would love to have you substitute in your student's classroom, or you can choose to teach anywhere in our district! What a great way to be involved in the school and make a difference at the same time!

In order to be a substitute teacher in the State of Michigan you must have 90+ credit hours from a 4 year accredited college or university. Substitutes have the opportunity to choose the grade levels or subjects they prefer. If you are interested, our "Guest Teachers" are hired through EDUStaff and you can log on to [www.edustaff.org](http://www.edustaff.org) to start your application today!

If you have any questions, would like more information, or need help during the onboarding process, please call 877-974-6338 and one of EDUStaff's representatives would be happy to help you! *Be sure to tell them that you have a student at our school or were referred to EDUStaff through a family at Bath Community Schools.*

We hope to see you as a "Guest Teacher" in our school district this coming school year! We would also appreciate any referral "Guest Teachers" you could send our way. We are looking for applicants that would enjoy working with students in a great district with an extremely flexible schedule.

We appreciate your help!
